President's Report ~ March 2007

Hello. Darryl has written interesting articles periodically about keeping the maintenance up to date on his FJ-40. I have managed to procrastinate this winter in doing some needed maintenance on my rig, so it needs to go into my garage for awhile. Bummer that I waited until warm weather to do it, considering that trails are starting to open up as the snow melts. I won't be able to attend the upcoming Chinamen's Gulch trail run, as the maintenance really needs to be done, but I'll be in good shape for the summer trips.

Agenda for the March 20 meeting:

- Welcome new people.
- Secretary's report, minutes of last meeting.
- Treasurer's report.
- VP's report.
- TLCA Delegate's report.
- Discuss Chinamen's Gulch trip on March 24.
- Trevor – present invitation card options and vote.
- Report from those who attended the USFS meeting on the Pike forest plan.
- New business and continuing topics.

Your Prez, Vic

And an Additional Meeting Item...

I don't suppose any of you have noticed that the web site is down – and has been for nearly 2 weeks. How does this happen? Being involved in the running of club affairs takes time and dedication. Sometimes communication can and does break down. We hope to have it up again soon.

Next Run ~ March 24, 2007

We're going to Chinaman's Gulch, near Buna Vista. The trail head is a little over 70 miles west of the meeting point on highway 24. Meet time will be 8:00am, and leave at 8:30am from the Western Station, just east of Woodland Park. Bring warm cloths and lunch, as well as the usual recovery gear.

captions, and identify who is in the pictures. Come to the meeting – you’ll see several of them there. Plan on making this run, the weather should be very nice.

Next CLC Meeting ~ March 20, 2007 7:00PM
Mark your calendar for CLC’s next meeting, Liberty Toyota, North. See you there!

Your input for Trip Planning – Thanks!

Will be on the web soon - I plan to have copies at the meeting.

I thought I’d include a few thousand words on what Chinaman looks like for those who haven’t made the run yet. Don’t worry, all the obstacles have a go around – in fact you generally have to go off the trail to play on the rock piles. I want to thank Charlie Terrell for the use of his digital photos, taken on the CLC October 4, 2003 run. I’ll let you provide the
